

Caravelle Easy Height

**Vitreous China 4.5/3 litre Dual Flush
Close-Coupled Toilet Suite**

**Designed to use the unique
50mm Variable Offset Connector**

Caravelle Easy Height

The **Caravelle Easy Height** close-coupled vitreous china toilet suite offers a pan height up to 40mm higher than standard pans making it easier to raise or lower yourself to the seat. Therefore this suite is ideal for the elderly, those with restricted movement or taller people. The Caravelle Easy Height toilet suite delivers a 4.5/3 litre dual flush along with a unique 50mm variable offset connector (supplied) for increased flexibility on setout. The Caravelle cistern is an integrated system comprising of cistern with high performance outlet valve, fitted with low profile push buttons and is available in a 1/2" B.S.P. back inlet option which completely conceals the inlet stop valve and connections for optimum installation appearance.

Pan: **Caravelle Easy Height** 4.5 litre full flush washdown pan with boxed flushing rim. 50mm variable offset connector supplied offering a range of set-outs.

Traps: S trap unvented.

Cisterns: **Caravelle** cistern – has a free fitting lid and is suitable for domestic and light commercial applications.

Vandal Resistant Conversion Kit – A simple to install conversion is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy duty commercial areas. Code No.750109.

Inlet Valve and Overflow: **Standard Bottom Inlet Cistern** – available as right hand inlet which is interchangeable and incorporates the Apollo inlet valve. Internal overflow only.

Optional Back Entry Cistern – is fitted with a Unifil inlet valve as standard. Available in internal and septic external overflow versions.

Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant. Accurate wall setout for B.S.P. 1/2" Nipple water inlet connection is essential.

Fixing: The cistern is fixed directly to the pan with a robust base fixing system without the need for wall fixing.

Seats: The **Caravelle** standard seat or **Caravelle** soft close seat is supplied as standard with this suite. See chapter 5.01 SEATS of the Caroma Technical Manual for further details.

Colours: White only.

Installation: The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
