Junior 200

Vitreous China 4.5/3 litre Dual Flush Connector Toilet Suite

Junior 200 'S' trap connector suite shown

The **Junior 200** connector toilet suites incorporate a reduced height toilet pan specially designed for infants. A new generation in water-saving technology sanitaryware product, the **Junior 200** connector toilet suite uses Caroma Smartflush technology to deliver a 4.5/3 litre dual flush vitreous china toilet suite system.

- Pan:** Junior 4.5/3 litre full flush wash down pan.
- Traps:** S and P-trap only. Slope of P-trap 95°.
- Inlet:** Dual purpose for 40mm or 50mm diameter flush pipe. Specify 50mm diameter flush pipe for mid-level and low-level installations.
- Cisterns:** Vitreous china – **Sovereign** cistern (wall fixed version) – has a free fitting lid and is suitable for domestic and light commercial applications.
Vandal Resistant Conversion Kit – A simple to install conversion kit is included for the standard mechanism to lock the lid onto the cistern, recommended for use in heavy duty commercial areas.
 Cistern inlet stop valve and inlet flex tube connection is concealed within the cistern and is included.
- Inlet Valve** **Standard Bottom Inlet Cistern** – available as right hand inlet which is interchangeable and incorporates Apollo inlet valve. Internal overflow only.
- Overflow:** **Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant.**
- Seats:** The **Junior** standard toilet seat is supplied with the Junior 200 toilet suite. See chapter 5.01 SEATS of the Caroma Technical Manual for further details.
- Colours:** White only.
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
