# Opal Cleanflush® Easy Height with Armrests and Nurse Call Button

The **Opal Cleanflush® Easy Height** wall faced suite with integrated Nurse Call Armrests brings polish and streamlined style to Australian aged care facilities and hospitals. The nurse call button is fully integrated into the suite allowing the patient to easily access nurse assistance without the potential danger of reaching around to the wall. The added hygiene of the Cleanflush® rimless flushing system makes the range ideal for hospital, aged care and commercial applications where the absolute highest levels of hygiene and rapid cleaning are required. The inclusion of a raised height pan allows for easy transfer on and off the seat, and additional support of stainless steel armrests makes this suite ideal for the elderly or people with restricted movement. For more information refer to [www.caroma.com.au](http://www.caroma.com.au).

- Pan/Suite:** **Opal Cleanflush® Easy Height** wall faced close coupled toilet suite
- Installation:** Armrest integrated into toilet suite design. The armrest bracket bolts onto the pan under the cistern and seat platform - No structural wall installation work required.
- Features:**
- Fully integrated Nurse Call Button (located to the side of armrest to minimise unintentional triggers, wet environment IP56 rating, easy to service and maintain, LED response light).
  - Includes integrated stainless steel armrests (load tested to 160kg, no structural wall required for install, inbuilt safety locking mechanism, includes toilet roll holder and nurse call button on left or right arm).
  - Raised height ideal for the elderly or people with restricted movement.
  - Universal trap for S or P trap installations.
  - Includes patented Uni-Orbital® Connector that extends to any position up to a 50mm radius.
  - Ultra quiet, fast filling back entry cistern.
  - WELS 4 star rated, 4.5/3L.

**Colour:** Stainless steel with white armrest pad and nurse call button.

**Seat:** The **Opal II** double flap or **Opal II** single flap seat is provided as standard with this suite. A quality solid section compression moulded toilet seat fitted with buffers and chrome hinges.

**Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.

**Note: This suite is not suitable for AS1428.1 installations.**

Refer to chapter 3 for complete information on the Opal Cleanflush® Easy Height Wall Faced Close Coupled Suite.
