### MAINTENANCE AND CARE

All surfaces should be cleaned with mild liquid detergent or soap and water. Do not use cream cleaners or citrus based cleaning products, as they are abrasive. Use of unsuitable cleaning agents may damage the surface. Any damage caused in this way will not be covered by warranty.

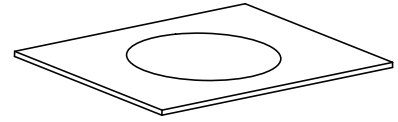

### PACKING INCLUDES

-1x stainless steel basin

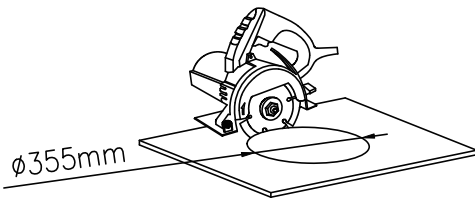

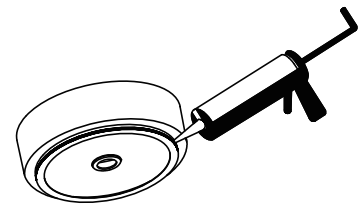

1. Prepare cutting machine, silicon glue and marking pen.

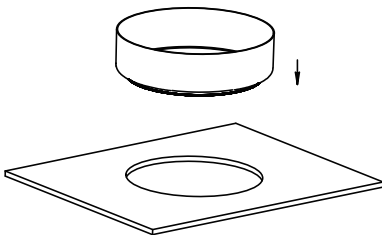

2. Place supplied template in desired position, mark lines along the outer edge.

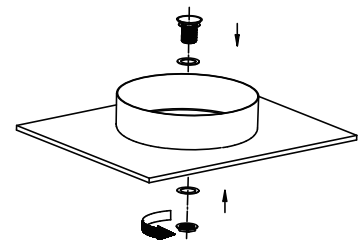

3. We suggest you ask stone vendor or use a professional stone mason to cut desired hole in benchtop.(check measurements twice prior to cutting)

4. Apply silicon glue to the outer base of the basin.

5. Place basin in position.

6. Install pop-up waste.
