Moon 700

Ceramic Inset Vanity Basin

Basin Size: 726mm x 428mm (nominal)

Tapware and bottle trap shown not included.

Inspired by European trends in thinner rim design and Made in Italy, the Moon range is a striking design option for the modern bathroom. Offering beautiful, soft curved lines, this style creates a feeling of comfort and relaxation. Available in wide range of basin types to suit different applications. This basin is suitable for domestic and commercial applications.

- Tap Holes:** Basin available in: No tapholes Code No.EU551200; one taphole Code No.EU551210.
- Waste Outlet:** The basin has been designed for the Caroma waste outlet suitable for a 40mm trap connection. Chrome flush fitting waste and white plug supplied. Alternative waste options are available — Plug & anti-vandal flush fitting chrome waste Code No.687141C; Plug & chrome grate waste Code No.687328C; Chrome pop-up plug and waste Code No.687329C.
- Bowl Capacity:** 14 litres.
- Overflow:** Overflow not available.
- Fixing:** The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. **Epoxy type glues must not be used.** The basin is supplied with a template which must be used for the counter top cut-out.
- Colours:** Available as standard in White.
Available as a special order in the following 5 colours: Lava, Tobacco, Sand, Ash and Pearl.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
